Starting aft on the main deck is the aft deck. This is usually the focal point of most social activities—early in the morning—and often in the evening. With seating for eight and a large teak table, this deck access to the flybridge via a molded staircase and two large-opening doors leading to the saloon. Upon entering the salon, on the port side, there is a couch that seats eight, facing a flat-screen TV. The large windows bring in bright natural light. Moving forward, up two steps, is the dining saloon. A teak table and chairs seat eight for formal dining. Across the dining salon is the fully equipped galley.
