## Yacht Description

The Fairline Targa 58 Gran Turismo is a powerful fast cruiser with a contemporary design and is incredibly bright and spacious. The living area and the kitchen are on the main deck and can undergo an exceptional transformation: the canopy slides back, the wide panoramic sky ceiling can be completely open, as well as the aft sliding doors, converting the deck saloon into a single elegant outdoor setting. The lower deck houses three cabins all with en-suite bathroom. The forward Master cabin is exceptionally large with sofa, desk and a private bathroom with an XL comfortable shower. The 2 guests cabins can be converted into 2 double cabins both ensuite with separate showers. All cabins are equipped with hanging lockers and floor-to-ceiling wardrobe cabinets. The Fairline 58 GT has a hydraulic stern swimming platform to enable extremely easy access into the sea. Since its launch in 2010, the Targa 58 GT has received the prestigious 'Motor Boat of the Year' Award in 2011 in the category "Sports cruiser over 45 feet".

# AN OUT OF **THE ORDINARY**

TEMPTATION OF TECHNOLOGY,  
STYLE AND COMFORT.
